

4-H Jeopardy

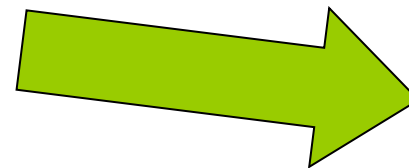

By Alexis Luedtke

Leipsic 4-H Club ~ 2015

Instructions

- Divide players into two to four groups and have them form an order in which to answer questions.
- For the first question, have the participants play rock, paper, scissors to determine who chooses the question, In future rounds, have the team who answered the previous question choose.
- Click on the number and you will be taken to the slide with that question on it. Have the participants answer and whoever comes up with the correct answer first wins the points. To reveal the correct answer, click on the screen anywhere except for the green clover.
- Continue to play the game in this manner until the winning team is decided.
- To return back to the categories screen after a question, click the green clover located in the lower right-hand corner of the screen.
