Leader to Duty Matching Activity

**Objective:** Challenge youth to identify Officer Positions by matching them to the correct responsibility

**Time:** 15 – 20 minutes

**Supplies needed:** Matching card sets (available for check out from UWEX Office)

**Directions:**

1. Divide the group in half and distribute the Officer (colored) cards to Group A and the Duty (white) cards to Group B – make sure that complete pairs are used in card distribution
2. Instruct the participants to find their partner by finding the pair to their card. If the individual has an officer card they would need to find the duty that officer performs and vice versa
3. This continues until all matches are made
4. Discuss the Leaders and their duties
