

Dodge County Farmers For Healthy Soil- Healthy Water

1ST ANNUAL COVER CROP FIELD DAY

Wednesday, August 2, 2017

As Promised!
Cover Crop Field Day
Aug. 2, 2017

Program 10:00 a.m. to 2:00 p.m.

Lunch Onsite (Pre-registration Required for Lunch)

Resulting from the 2017 Healthy Soil-Healthy Water Workshop– Local farmers formed Dodge County Farmers for Healthy Soil-Healthy Water, a producer led group whose mission it is to improve our community's soil & water through conservation practices & education.

FIELD DAY EVENTS-

- ◆ Learn what local farmers are doing with cover crops and planting methods.
- ◆ Hear Jim Leverich, and other UWEX experts share their insight and experiences.
- ◆ Visit with equipment and seed vendors, etc.
